

# 2005 SOLID WASTE SERVICES REMINDERS:

- ✓ **All items must be at the curb by 7:00 a.m. on collection day.**
- ✓ **Yard trim, residential paper and blue bin items are NOT acceptable when in plastic bags.**
- ✓ **We Recycle Scrap Metal:** Items such as residential appliances, bikes, lawn furniture or anything from your house that is more than 51% metal can be picked up curbside on your recycling day. You must schedule this pick-up with us no later than 9:30 a.m. the business day prior to your collection day by calling Customer Service at 240-777-6410, or by visiting our website at: [www.montgomerycountymd.gov/solidwaste](http://www.montgomerycountymd.gov/solidwaste).
- ✓ **Join Our eMail Lists:** Holiday notification and other lists can be joined at: [www.montgomerycountymd.gov/solidwaste](http://www.montgomerycountymd.gov/solidwaste).
- ✓ **Help Reduce Litter:** Trash in plastic bags should be placed in rigid containers with tight fitting lids when brought to the curb for collection. Plastic bags alone are vulnerable to scavenging by wildlife which can cause litter in your neighborhood.
- ✓ **Residential Paper Recycling:** We recycle all paper you have at your house! Newspaper, magazines, cardboard boxes, unwanted mail, telephone books, shredded paper, etc. Please place these items in paper bags or cardboard boxes at the curb on your collection day, alongside your blue bin.
- ✓ **Paint:** Latex paint must be solidified prior to curbside collection. Mix with commercially available Waste Paint Hardener, kitty litter or shredded newspaper and allow the contents to air dry. Then place the can with its dried up contents in a plastic bag in your trash can at the curb on your collection day. Oil based paint should be taken to the Montgomery County Transfer Station's household hazardous waste collection facility which is open Thursdays and Fridays from 1:00 p.m. to 5:00 p.m., Saturdays 8:30 a.m. to 5:00 p.m. and Sundays 9:00 a.m. to 5:00 p.m.

For further information please contact us:
